Dear Concerned:

I state that Today, at the above time, I met with APA Deyana Unis, Patricia Penman, James Heberger, for Bridget M. Hathaway, and Acting Agent for Bridget Hathaway who were part of [redacted] Case being gathered against Derrick Lee Smith #267009, and that it was discussed about my prosecuting the case, I was then given my money, and \$500.00 was for Bridget Hathaway and \$500.00 went to Deyana...

I understand that I needed to attend the court hearings that are upcoming and that It was for testimony that I would be giving to help keep him inside there at Muskegon, and that if I do not go through with the testimony, then, I would be made to pay all of my Peer Specialist Money and other money and that I would go to prison and I have seen [redacted] transaction take place....This is signed and witnessed by me, and I state it is true and I understand this Goes on [redacted] record if I do not proceed with the testimony, and identify Smith... I cannot mention that he Did not Rape me, I can only mention that He did Rape me..So, I am doing this and signing this truly for Patricia Penman.

The original report should have said that there were 2 people present, but it is in fact going to only say that there was 1 person present on 10/12/97 because Patricia has instructed me to say that there was only 1 person and that 1 person is Derrick, I understand that I can contact her again and if I get nervous, she will give me what I need to get calm and straight and she does it all the time, and she has in fact given me the \$4,000.00 I could use it right now...

So, I will say that Derrick Raped me, and even though he did not rape me, I can be charged with perjury, and I sign this freely and willingly with no pressure whatsoever, in the presence of Penman, Unis, and Hathaway's agent or supposed agent....whatever...I just need this over with...
